Dear Students

I write to thank you for your kind words and drawings of support for the Australian firefighters who are working on the devastating bush fires that are occurring across New South Wales.

The 2019/20 fire season has been unprecedented. The bush fires have impacted many communities across the State. Our courageous firefighters are working tirelessly and are doing a remarkable job in protecting communities and combating these bush fires.

It is heartwarming to know that you are thinking of our courageous men and women who are working tirelessly to keep the community safe from bush fires.

Your thoughts and kind words are very much appreciated by members of the NSW Rural Fire Service.

Yours sincerely
